

EMPERATRIZ

PRODUCT CATALOGUE

We are a family run business, which works for and in behalf of our customers, and our people.

Our priority is offering **good quality preserves**, affordable for every customer, and at the same we are always trying to surprise them in their moments of **pleasure** and **celebration**.

Our products are **100% natural**, prioritizing **self-made manufacturing**, **local raw materials**, as well as **sustainability**.

There are **two remarkable differences**, that make us unique compared with other market proposals. **The experience as manufacturers**, and the **products diversity** in different categories, reached due to our **passion** and our **innovation**.

About Emperatriz

We currently work different preserve categories.

Vegetable, Fish, Organics, as well as plant based ready to eat meals.

Emperatriz is our flagship brand encompassing the **traditional preserves**, a high-quality product portfolio based on an **accurate production and preservation processes**.

We have the demanding **IFS certification**, which ensures food safety at the highest quality levels through unannounced audits, receiving the **highest ratings** year after year.

We also undergo exhaustive independent audits by clients such as LIDL and Eurospin, renewing their confidence in us on an annual basis.

MSC sets standards for sustainable fishing and traceability of certified sustainable fishing products.

Sustainable fishery that meets the **MSC Fisheries Standard**.

The **Dolphin Safe certification** is the guarantee that the fish have been caught **without harming or killing dolphins**.

It can be found as a logo or labell on preserved food.

Friend of the Sea (FOS) works globally with fisheries, seafood companies, scientists, conservation groups and the public to promote the **best environmental choice in seafood products**.

Food Safety and Sustainability

Organic farming is a production system based on the **use of natural resources** in order to obtain **healthier and more nutritious food** whilst **protecting soil fertility and respecting the environment**.

V-Label is a certification established in Switzerland in 1996, registered and **internationally recognised** for labelling **vegan and vegetarian products and services**.

This is a reliable guide for consumers.

Our Brands

EMPERATRIZ

Our Brands

MACONDO

High quality product line for the hotels, restaurants and catering sector. Different products adapted to every need, 1 to 3 kg cans, heat-sealed trays or large format jars.

A green artichoke is located in the bottom left corner. Several sliced mushrooms are scattered in the bottom center and right area.

Our Brands

A range of products made from **pea protein**, **vegan products**, which are **healthy**, **nutritious**, and offer a high **protein and vegetable fibre** content, **without chemical preservatives and allergen-free**.

Suitable for celiacs and lactose-intolerant people. Ready to eat in 2 minutes and, most importantly, very tasty!

We believe in **conscious eating** and respect for the environment, offering our consumers the peace of mind of knowing that they are **choosing the best**.

Each product we produce reflects a balance between **respect for tradition**, as well as our **passion for innovation, sustainability and health**. We use ingredients from the land and the sea at their optimal moment, to offer choices in **natural and authentic flavors**.
